WORKSHOP • NORTHFIELD HEALTH SYSTEM

Close redesign working session

9:00–9:30 Welcome and goals

9:30–10:30 Where the close loses time

10:30–11:30 Target operating model

11:30–12:15 Wave plan and owners

12:15–1:00 Decisions and next steps

OUTCOME

One agreed wave 1 scope and a named owner for each entity.

Close the books in **5 days** instead of 12

We standardize reconciliations, automate matching and move review earlier.

The controller signs off on day five, and the team stops finding problems on day nine.
